

Dear parents and students of the class of 2021,

September 8, 2020

The Student Services Team will be using Remind to help keep you informed about important news and updates specific to your program. Remind is a **free** service that allows you to get messages directly on your phone. Joining your specific class on Remind is easy. You can choose whether you prefer text messages or smartphone notifications.

Signing up for text messages

1. Text your class code below **@[CLASS CODE]** to the phone number 81010
2. Reply to the text messages from the Remind team.

Signing up for smartphone notifications

1. Download the Remind app on your Android or iOS device. Link to the apps: rmd.me/a
2. Open the app and create an account (or log in if you already have one).
3. Tap the + by classes joined and enter your class code below **@[CLASS CODE]**.

That's all you need to do to start receiving messages!

A few other things you might like to know:

- All personal contact information (like cell phone numbers) will not be visible on Remind.
- All of our messages will be recorded in communication logs that you can access and download.

If you have any questions, please feel free to contact Ms. Sherma at lsherma@cctecnj.org.
